**ENDURANCE+**  
CUTTING FLUID

Venom Endurance+ Cutting Fluid is a highly efficient cutting and lubricating fluid. Formulated to increase tool life and enhance cutting performance in a broad range of metals, including carbon steel, aluminium alloys, copper, brass, bronze and stainless steel.

Mild clinging action helps fluid adhere to the tool and part when vertical work is required.

### Features

- ✓ Reduces torque and friction
- ✓ Extends tool life
- ✓ Improves surface finish
- ✓ Accurate thread quality
- ✓ Environmentally friendly mineral oil base with 10% organic coconut oil. Free from Trichloroethane – low odour.

### Suitable Applications

Cutting, drilling, tapping, milling, broaching, reaming, threading, sawing, boring, turning and holesaw cutting.

Discount Group: Z1001

**EXTREME POWER**  
CUTTING PASTE

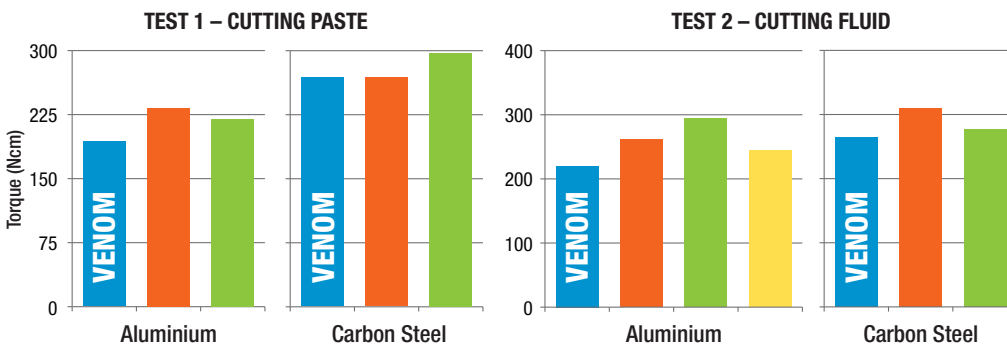

Formulated for superior tool life and cutting performance in carbon steel, aluminium alloys, copper, bronze, stainless steel, nickels, titaniums and other super alloys.

Venom Extreme Power Cutting Paste is a high performance low melting point lubricant specifically designed to adhere to the cutting edges, even when using additional coolants.

### Features

- ✓ Low melting point – adheres to cutting edge for greater tool protection
- ✓ Not affected by coolant
- ✓ Lowest torque required for higher performance
- ✓ Reduced friction for extremely high quality surface finish

Tests indicate Sutton Tools Venom requires less torque – it performed up to 30% better than its competitors

Tests were conducted using a M6 forming tap in Carbon Steel and Aluminium. The results clearly indicate less torque\* was required using Sutton Tools Venom Cutting Fluid & Paste compared with leading brands on the market.

\*Less torque indicates improved performance.
